

About Our Products

YonKa Paris Skincare Products - Yonka products and Skin Care Therapies are Hand Crafted, Plant-Derived, Holistically Formulated, Scientifically Proven and Customized. Yonka successfully integrates the complex science of four botanical therapies (Aroma-Therapy, Phyto-Therapy, Marine-Therapy, and Fruit-Acid Therapy) into a whole line of therapeutic, nurturing and healing products.

The Soy Garden - The Soy Garden specializes in moisturizing soy bath & body products and hand-poured soy candles in a variety of scents and sizes. Each product is mixed, poured, packaged, and even labeled by hand. LaBouquetiere - La Bouquetiere is the very essence of old world charm and luxury. Unique in its presentation, the brushed aluminum containers with vintage graphics reminiscent of turn of the century France, are filled with a superb range of products using the finest ingredients. Vitamin E, Lanolin, Shea and various botanical oils combine with fragrances that rival the finest perfumeries known to the world. European Soaps - European Soaps is the leading importer of fine bath and home products. They are the exclusive importers in the U.S. for many of their products such as Pré de Provence and Dresdner Essenz. Aveda – Connecting beauty, environment & well-being. KamaSutra - The KamaSutra Company developed a line of products to help loving couples create joyful experiences of intimacy and pleasure. BodySense – BodySense offers products that gently help in relieving pain, stiffness and tension. Jane Iredale Cosmetics
